

Print Tracker - List of Discoverable Devices (4/15/2015)

The following list includes many of the network devices that are discoverable. If a device is not listed, it may still be monitored as a local printer. An asterisk (*) indicates that the parameter can be reported.

NOTE: A more current list of discoverable devices may be available from within Print Tracker by selecting the menu View > List of Discoverable Devices.

**Service alert information may not be all inclusive.
